§1.98**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. Complete copies of the references are enclosed with the exceptions of cited references numbered 25, 27, and 31. Cited references numbered 25, 27, and 31 (WO 00/10383, WO 98/37757, and WO 97/07671) are large documents that were published in the Japanese language, enclosed are: the title page of each publication as well as their respective International Search Reports; and an English language abstract from the Derwent World Patent Database for each publication. Complete copies can be provided at the request of the Examiner.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information, and no inference should be made that the information and references cited are, or are considered to be material to patentability because they are in this statement. No inference should be made that the information and references cited are prior art merely because they are in this statement.

Applicant believes that no fee is required for submission of this statement, since it is being submitted prior to the first Office Action. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

Andrew T. Serafini, Ph.D.
